

WATERMAIN FLUSHING

RDN Water Service Areas

The Regional District of Nanaimo (RDN) will be flushing watermains in all RDN-owned Water Service Areas over the next few weeks. This work is being done as part of the annual watermain maintenance program. Customers should expect the following between the hours of 8:00am and 4:30pm only during the dates shown for their water system:

**Temporary
disruption
of service**

**Intermittent
drops in
water pressure**

**Discolouration
of water**

During the flushing program and when service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. Please do laundry only in the evenings or on the weekend, and ensure that you have sufficient water for the day. The 2019 flushing schedule is as follows:

Surfside Drive & McFeely Drive	March 4 - 5
French Creek (Sandpiper only)	March 4 - 6
Westerne Heights	March 7 - 8
Melrose Terrace	March 7 - 8
