

Addendum 3

Issue Date: October 23, 2018

Project Name: Regional District of Nanaimo
Coombs-Hilliers Firehall
Water Tanks Replacement

Project Number: 1019-001

This Addendum is an integral part of the Tender Documents for the project referenced above. The following revisions supersede the information contained in the original drawings, specifications or previously issued Addenda. The Tenderer shall acknowledge this addendum by noting the number of Addenda in their submission.

1.0 General:

In Addendum #1, Section 4, Questions and Answers, A6 identified that a new pressure transducer and control panel are to be provided and installed, complete with a compatible water fill control valve and that specifications for these items would be provided in a future addendum.

This requirement is removed from the tender, and no new pressure transducer and control panel are to be provided.
