

2019 Septic Maintenance Rebate: Pre-Approval Application

Since funds for the Septic Maintenance Rebate Program are limited, the RDN allows applicants to apply for pre-approval to “reserve” funds for eligible work for up to 90 days. Pre-approval does not guarantee a rebate will be issued. Extensions to the pre-approval period may be granted upon request but funds may be reallocated if the preapproval period expires.

A complete list of eligibility and requirements is available on the 2019 Septic Maintenance Rebate Program information sheet and www.SepticSmart.ca.
