Dear William Veenhof:

**Re: Clean Water and Wastewater Fund**  
**Project #C40009 - Greater Nanaimo Pollution Control Centre: Centrifuge and Polymer System**

It is our pleasure to inform you that your application for funding under the Clean Water and Wastewater Fund has been approved at a maximum program contribution of \$1,086,470. The program funding is comprised of 50% federal and 33% provincial contributions.

The application originally submitted under the New Building Canada Fund – Small Communities Fund program has been transferred to the Clean Water and Wastewater Fund. Please use the new project number above for all communications regarding this project.

Please ensure that all public information material for the approved project clearly and prominently indicates funding is provided from the Clean Water and Wastewater Fund.

The Province will require you to submit online periodic progress reports along with budget forecasting reports using the online Local Government Information System. Details outlining this requirement will be sent to the project contact shortly.

Claim form information along with final report requirements will soon be available on the website at: [www.gov.bc.ca/cleanwaterwastewaterfund](http://www.gov.bc.ca/cleanwaterwastewaterfund)

.../2

Once we have completed our due diligence, a contribution agreement will be sent to your Chief Administrative Officer.

Please note, it is your responsibility to obtain and comply with all necessary authorizations and/or permits as an ongoing condition of the funding.

If you have any questions regarding the above, please do not hesitate to contact Brian Bedford, Director, Local Government Infrastructure and Engineering, at: 250-356-0700.

I wish you every success with your infrastructure project.

Yours truly,

Tara Faganello  
Assistant Deputy Minister
