- 3. That Board policies identified in Attachment 1 as requiring amendment be presented to the Board for consideration at future meetings.

SUMMARY

While some of the Board's policies are up to date and relevant, there are several Board policies that should be repealed, amended or converted to a CAO Policy due to their operational nature.

Staff have reviewed each of the Board policies and created a chart indicating the recommended action to be taken and the reasons for such action (Attachment 1).

BACKGROUND

There are 78 Board policies that have been adopted by the Board over the years. Recognizing that several of these policies are no longer relevant or correct, staff undertook a review with a goal of presenting recommended actions in this regard.

The attached chart (Attachment 1) lists all Board policies, the recommended action and reasons for such action. Some policies were adopted to address a specific issue of the day and are no longer relevant. Other policies have now been superseded by changes to legislation or bylaws or duplicate legislation or bylaws and therefore are unnecessary. Others are purely operational or administrative in nature and should be deemed more appropriately as CAO Policies or simply be departmental procedures.

Others are appropriate Board policies but need to be updated to reflect current process or best practices.

ALTERNATIVES

- 1. To adopt the recommendations as presented by staff.
- 2. To amend some of the recommendations presented by staff.
- 3. To provide alternate direction to staff.

FINANCIAL IMPLICATIONS

There are no financial implications to proceeding with the recommendations of staff.

STRATEGIC PLAN IMPLICATIONS

Ensuring that Board Policies are up to date and accurately reflect the views of the Board supports the Strategic Priority – Focus on Service and Organizational Excellence.

STAFF REPORT

TO: Executive Committee MEETING: May 23, 2017

FROM: Joan Harrison FILE: 2700-20

Director, Corporate Services

SUBJECT: Committees Review

RECOMMENDATIONS

1. That the Sustainability Select Committee be dissolved and such matters be considered by the Committee of the Whole.

- 2. That the Terms of Reference for the Drinking Water & Watershed Protection Technical Advisory Committee be amended to indicate that the Committee will "provide recommendations to the Board through the Committee of the Whole".
- 3. That the Emergency Management Select Committee be dissolved and such matters be considered by the Electoral Area Services Committee.
- 4. That the Fire Services Advisory Committee be dissolved and such matters be considered by the Electoral Area Services Committee.
- 5. That in camera matters only be considered by a commission or an advisory body when referred to that body by the Board.
- 6. That Committee of the Whole meetings commence at 4:00 p.m.
- 7. That Board meetings commence at 4:00 p.m.
- 8. That web streaming meetings be considered for inclusion in the 2018 Operational Plan and Budget.
- 9. That staff be directed to draft the necessary amendments to the Board Procedure Bylaw to reflect these changes.

SUMMARY

The Executive Committee is mandated in the Board Procedure Bylaw to conduct an annual review of the list of advisory committees for the purpose of recommending any appropriate changes.

The dissolution of three Committees: Sustainability Select, Emergency Management Select and the Fire Services Advisory would result in the matters referred to the Electoral Area Services Committee or the Committee of the Whole, as appropriate. A future amendment to the Procedure Bylaw should remove reference to the Mount Arrowsmith Biosphere Foundation as it no longer exists.

In camera items would not be referred to commissions or advisory bodies except as specifically directed by the Board.

Rescheduling Committee of the Whole and Board meetings to the afternoon accords with industry norms.

The 2017 audio visual upgrades to the Board room will support the electronic meetings and will integrate with equipment needed for webstreaming should the Board direct web streaming of its meetings.

Other options for efficiencies as they relate to committees are currently being explored by staff and will be presented to the Executive Committee at a future meeting for consideration.

BACKGROUND

Section 24 (1)(c) of the Board Procedure Bylaw reads, in part, as follows:

The Executive Committee will review annually the list of Advisory Committees, Commissions and external organizations to which Board members are appointed, as identified in Schedules A and B to this bylaw for the purpose of recommending any appropriate changes.

Schedules A and B of the Board Procedure Bylaw are attached (Attachment 1)

A copy of the current committee list and appointed Board members is also attached for reference (Attachment 2). Recommendations to increase the effectiveness and efficiency of RDN Board and Committee meetings are proposed.

Sustainability Select Committee

With ten of the seventeen RDN Board members participating on the Sustainability Select Committee, efficiencies would gained by having these items referred directly to the Committee of the Whole (CoW). Any reports that relate to Regional Growth Strategy have be sent directly to the CoW and thus the Sustainability Select Committee has not met frequently.

The Terms of Reference for the Drinking Water & Watershed Protection Technical Advisory Committee indicate that they provide recommendations to the Board through the Sustainability Select Committee. The Terms of Reference would be amended to indicate that recommendations be provided through the CoW.

Emergency Management Select Committee

The Electoral Area Services Committee (EASC) Terms of Reference, as adopted by the Board in July 2016 and included in the recently adopted Board Procedure Bylaw, indicate that matters pertaining to Emergency Services will be dealt with by the EASC not the Emergency Management Select Committee (EMSC). However, these matters currently flow instead through the EMSC and any recommendations from the Emergency Management Select Committee are directed to the Board for consideration, rather than to the Electoral Area Services Committee.

The current membership of the Emergency Management Select Committee is all Electoral Areas and Lantzville. Lantzville is not a participant in the service but rather, has entered into a contract for the RDN to provide this service to the District. If the EMSC were dissolved and all matters pertaining to Emergency Management were forward to the EASC any members of the Board may attend this or any committee meeting and may participate in discussions. Therefore, the Director for Lantzville would still

have the opportunity to participate in emergency management discussions, if desired. The District of Lantzville's membership on the current Select Committee does not affect Lantzville's voting rights when matters on Emergency Management come forward for consideration by the Board.

Fire Services Advisory Committee

As noted above with regard to the EMSC, Fire Services was also included in the list of matter to be dealt with by the EASC. The current Terms of Reference for the Fire Services Advisory Committee (FSAC) provide for membership to include elected officials, fire chiefs and RDN staff. It is not recommended to include elected officials and staff (or fire chiefs) on the same committee.

Members of the FSAC are Directors for Areas A, C, E, F, G and H which are the areas with RDN Fire Protection. These Directors are also all members of the EASC. Therefore staff suggest that the FSAC be dissolved and all matters pertaining to Fire Services be forwarded to the EASC.

Mount Arrowsmith Biosphere Foundation

As this particular body no longer exists, reference to Mount Arrowsmith Biosphere Foundation should be removed from the Procedure Bylaw.

In Camera Items

Unlike elected officials, members of the public sitting on RDN advisory bodies and commissions have not taken an oath of office stating their commitment to ensure that they are not influenced by private interest and will disclose any direct or indirect pecuniary interest in a matter. Also, these members are not obliged to reveal any business interests that would possibly constitute a conflict of interest. Members of the public are also not governed by the sections of the *Community Charter* or *Local Government Act* which require an elected official to respect the confidentiality of a matter.

The types of in camera items that have, from time to time, been discussed at advisory committee meetings include the acquisition or disposition of land or other confidential negotiations. There could be potential harm due to conflict of interest or release of information. For this reason, staff suggest that in camera discussions and decision making by advisory bodies be limited. Recognizing that there may be circumstances where feedback from an advisory body is desired by the Board to assist with their decision making, staff recommend that in camera matters be discussed by advisory committees and commissions only when specifically referred to them by the Board.

Timing of Meetings

Currently EASC meetings start at 4:00 p.m. but the timing has been flexible depending on agenda items and other meetings scheduled on that day. The CoW typically starts at 7:00 p.m. In accordance with the Board Procedure Bylaw, regular Board meetings commence at 7:00 p.m. unless decided otherwise by resolution of the Board.

CoW meetings at the City of Nanaimo begin at 4:30 p.m. A review of other regional districts on the Island and lower mainland shows that most, if not all, have standing committee meetings regularly scheduled during the afternoon. Some Districts, including the Capital (1:35 p.m.), Comox Valley (4:00 p.m.), Alberni-Clayoquot (1:30) and Sunshine Coast Regional (1:30 p.m.), schedule their Board meetings in the afternoon. Traditionally, CoW meetings can range from 45 minutes to three hours. If there is also an in camera session, then the public have usually left before the Board rises and reports. Rescheduling

EASC meetings to 2:30 p.m. and CoW and Board meetings to 4:00 p.m. would appear to be more efficient use of the Directors' time and permit the public greater access to the Directors themselves. Changing the times to earlier in the day would decrease nighttime travel during the winter months which can be treacherous; reduce overtime costs; and meal costs.

Web streaming

An enhanced audio visual system is in the 2017 – 2021 Financial Plan but there is no provision for web streaming. Any new equipment installed in the Board room will be capable of integrating with future web streaming equipment. Web streaming is the norm in the following Vancouver Island municipalities: Nanaimo, Lantzville, Parksville, Qualicum Beach, Cowichan Valley Regional District and Capital Regional District.

ALTERNATIVES

- 1. That the recommendations be supported and forwarded to the Board for consideration.
- 2. That the Executive Committee amend some or all of the recommendations.
- 3. That alternate direction be provided.

FINANCIAL IMPLICATIONS

The elimination of some committees, as per Option 1, will have an impact on the remuneration of the Directors under the current provisions that compensate Directors based on the number of meetings attended. However, a Directors' remuneration review is scheduled which could account for the changes to the Committee structure.

Financial implications for Options 2 and 3 would depend on amendments to the recommendations or alternate direction provided.

STRATEGIC PLAN IMPLICATIONS

A review of the RDN committee structure and other related items supports the Strategic Priority – Focus on Governance.

REGIONAL DISTRICT OF NANAIMO

SUSTAINABILITY SELECT COMMITTEE TERMS OF REFERENCE

January 2012

PURPOSE

The Sustainability Committee is a select committee of the Regional District of Nanaimo (RDN) Board which provides advice and recommendations to the RDN Board on issues connected to the Regional Growth Strategy, climate change plans, the Drinking Water and Watershed Protection Service and other Sustainable Communities Initiatives.

MEMBERSHIP

- The Committee is comprised of ten RDN directors with five members appointed from the Electoral Areas and five from the member Municipalities.
- The Committee Chairperson will be appointed annually by the RDN Board Chairperson.
- Where a specific proposal/application is under discussion from a jurisdiction without representation on the committee, a representative of that jurisdiction may attend and contribute as an 'ex officio' member of the committee.

MEETINGS

- The Committee will meet at intervals it determines to be appropriate, in consultation with the General Manager of Development Services.
- A quorum of six of the Committee membership is required to conduct Committee business.
- The General Manager of Development Services will be responsible for assigning staff to support the Committee including the coordination of agendas, minutes and staff contacts for Committee members.

COMMITTEE ROLES AND RESPONSIBILITIES

The Sustainability Committee mandate is to provide political oversight for sustainable communities, climate change initiatives and the Drinking Water and Watershed Protection Service. The Committee is the forum to which staff report on regional growth, climate change, green buildings, watershed protection and other sustainable communities initiatives.

The Committee's responsibilities are:

- 1. Consider staff reports on the Regional Growth Strategy, climate change initiatives, green building initiatives, Drinking Water and Watershed Protection, and other Sustainable Communities initiatives and make recommendations to the RDN Board;
- 2. Consider comments and recommendations from the Intergovernmental Advisory Committee and make recommendations to the RDN Board;

- 3. At its discretion, hear and consider public delegations on matters within the scope of its purview and, where appropriate, make recommendations to the RDN Board arising out of such delegations;
- 4. Pursue matters referred to the Committee by the RDN Board and report back to the Board expeditiously, as required.

REGIONAL DISTRICT OF NANAIMO

DRINKING WATER & WATERSHED PROTECTION TECHNICAL ADVISORY COMMITTEE TERMS OF REFERENCE

January 2012

Purpose

The primary role of the Drinking Water & Watershed Protection Technical Advisory Committee (DWWP-TAC) will be to advise the Board on the review and implementation of the Drinking Water and Watershed Protection Service.

Committee Roles and Responsibilities

The DWWP-TAC will:

- provide recommendations to the Board through the Sustainability Select Committee regarding activities relating to the Drinking Water and Watershed Protection program;
- participate on smaller ad-hoc committees dealing with specific issues or tasks;
- provide advice and feedback on consultation activities with service area stakeholders;
- provide input and feedback on technical reports, discussion papers, and other documents prepared for the committee's information:
- review and become familiar with the Drinking Water and Watershed Protection service;
- review and become familiar with the existing state of drinking water protection in the RDN;
- identify tools and techniques to be employed in the monitoring and evaluation of the Drinking Water and Watershed Protection service and its implementation; and
- make recommendations to increase the effectiveness of the Drinking Water and Watershed Protection service.

Membership Criteria/Selection

The committee will consist of 19 members. Members will be selected by the Board either through an application process or by appointment by the member's organization. Membership representation will be as follows:

4 members St	iff member f	from the RDN, City	[,] of Nanaimo, Cit	/ of Parl	ksville and	l Town of Qualicum
--------------	--------------	--------------------	------------------------------	-----------	-------------	--------------------

Beach

2 members General Public (1 north / 1 south)

1 member VIHA

1 member Ministry of Forests, Lands, and Natural Resource Operations

1 member Environment Community

2 members Forest Industry

1 member Water Purveyors' Representative

1 member Hydrogeologist

2 members Academic Community (1 From the Vancouver Island University)

1 member Registered Professional Biologist

1 member Islands Trust

1 member Ministry of Transportation and Infrastructure

1 member Fisheries and Oceans Canada

Terms of Reference - January 24, 2012

The Manager of Water Services will Chair the committee. RDN staff members will be present in an advisory capacity. Membership may be changed as needs or issues arise and other organizations may be called on where partnerships are identified that would be of mutual benefit.

The application for committee membership for the General Public and Environment Community will be promoted through advertisements in local media. Applications must demonstrate the applicant's:

- willingness and ability to commit to volunteering the necessary time to the committee;
- interest in drinking water and drinking water protection issues in the RDN;
- willingness and ability to consider issues from all sectors and geographical perspectives within the community;
- experience related to drinking water and drinking water protection issues;
- willingness and ability to work towards consensus on issues being addressed by the committee.

Selection of members will attempt to create a committee with a balance of representation:

- geographically;
- demographically; and
- with a variety of interests and perspectives.

Term

Members will be appointed by the RDN Board for the duration of 2 years. Alternate member appointments will be approved by the Committee as required. No substitute members will be permitted. If a member must resign from the committee, their position will be filled through the application process (for at large members) or by appointments, as appropriate.

In general, annually there will be 3 meetings of the committee although, periodically more frequent meetings may be required. Meetings are expected to be held mid-day.

Members are expected to attend all committee meetings and participate in public consultation activities. Lack of attendance may result in members having their membership revoked at the discretion of the committee. There is no remuneration for participation on the committee but if committee activities coincide with meal times, meals will be provided.

Decision Making

Committee recommendations to the RDN Board will be made by consensus whenever possible. If necessary, votes may be taken and minority reports may be submitted to the Board in addition to the majority opinion.

Committee recommendations to the Board will be made through the Sustainability Select Committee.

DWWP-TAC meetings will be open to the public, however non-DWWP-TAC members will not have speaking or voting privileges. Delegations that wish to address the committee must seek approval from the committee through a written request. Acceptance of a delegate's request to speak to the committee will be at the discretion of the committee.

REGIONAL DISTRICT OF NANAIMO

EMERGENCY MANAGEMENT SELECT COMMITTEE TERMS OF REFERENCE

September 2009

PURPOSE

The Emergency Management Committee is a select committee of the Regional District of Nanaimo (RDN) Board which provides advice and recommendations to the RDN Board on issues related to emergency management: preparedness, mitigation, response and recovery from emergencies or disasters.

MEMBERSHIP

The committee will be comprised of the seven Electoral Area directors, representing the Electoral Area Emergency Planning function. The Chair shall be appointed by the Regional Board Chair pursuant to the Board Procedure Bylaw.

PROCEDURES

- The Committee will meet four times a year or as required.
- A quorum of 50% plus one of the Committee membership is required to conduct Committee business.
- Staff will be assigned to support the Committee including the coordination of agendas, minutes and staff contacts for Committee members.

COMMITTEE ROLES AND RESPONSIBILITIES

The Emergency Management Select Committee's mandate is to provide political oversight for matters related to emergency management and community disaster resiliency initiatives in the electoral areas. The Committee is the forum to which staff report on:

- Hazards and Planning: Hazard Vulnerability Risk Analysis and updates, Emergency Plan developments and updates, hazard specific plans, communications strategies and operational guidelines
- Emergency Response Operations: Operational readiness of Emergency Coordination and Reception Center facilities, staff/volunteers, related equipment, stakeholder partnerships, and mutual aid
- *Training and Exercises*: Development and delivery of staff, agency and public training programs. Develop and deliver exercises to test plans.
- Recovery and Mitigation: Development of business continuity plans, implementation of mitigation activities.

The Committee's responsibilities are:

- Consider staff reports on emergency management (preparedness, response, mitigation and recovery) and make recommendations to the RDN Board;
- At its discretion, hear and consider public delegations on matters within the scope of its mandate and, where appropriate, make recommendations to the RDN Board arising out of such delegations:
- Follow up on matters referred to the Committee by the RDN Board and report back to the Board as required.

REGIONAL DISTRICT OF NANAIMO

ELECTORAL AREAS FIRE SERVICES ADVISORY COMMITTEE TERMS OF REFERENCE

October 2010 Amended October 2016

PURPOSE:

The Committee is an Advisory Committee and in intended to provide a forum to exchange information and to coordinate approaches to administrative and operational aspects of the fire services provided in the Regional District of Nanaimo, with the objectives of ensuring that fire protection and emergency response services are provided in a safe, operationally effective and financially responsible manner.

BACKGROUND:

The Regional District of Nanaimo may under the *Local Government Act* establish services which benefit the community. At the present time, the Regional District has adopted bylaws establishing fire protection and emergency response services for the following areas:

Area C	Extension Fire Protection Service	Bylaw	1439
Area E	Nanoose Bay Fire Protection Service	Bylaw	991
Area F	Coombs Hilliers Fire Protection Service	Bylaw	1022
	Errington Fire Protection Service	Bylaw	821
Area G	Parksville (Local) Fire Protection Service	Bylaw	1001
	French Creek Fire Protection Service	Bylaw	794
Area H	Dashwood Fire Protection Service (F, G & H)	Bylaw	964
	Bow Horn Bay Fire Protection Service	Bylaw	1385

^{*} a number of the service areas cross electoral area boundaries

In the Province of BC a Regional District is the corporate entity which establishes the authority to provide a service and to raise funds to support the delivery of a service. A Regional District has the legal responsibility to ensure that the service is provided in an operationally sound manner, including ensuring that vehicles, buildings, equipment and personnel operate in a safe environment.

The Regional District of Nanaimo has entered into service contracts with incorporated Societies to assist in the delivery of fire protection and emergency response services in some parts of the Regional District. The Boards of the Societies are responsible for the day to day operations of the fire department including administration, personnel recruitment, training and management, operating and maintaining vehicles, equipment and buildings and providing advice on operating and capital budgets.

COMMITTEE ROLES AND RESPONSIBILITES:

- 1. The Committee shall consider information and/or reports from any member of the Committee and may make recommendations where applicable for consideration by the Regional Board,
- 2. The Committee may review and provide advice to the Regional Board with respect to policies affecting fire and emergency services within the Regional District of Nanaimo.
- 3. The Committee shall follow up on matters referred to it by the Regional District Board and report back as required.

Topics which may be considered by the Committee include, but are not limited to:

Communications initiatives and protocols

Operational guidelines regarding the use of equipment, vehicles and buildings

Firefighter training standards and training opportunities

Regulatory bylaws

Boundary alignments/realignments

Purchasing

Capital improvement projects for vehicles, equipment or buildings

Financial record keeping

Budgeting

Selection and Recruitment

WorkSafe BC issues and orders

Administrative support

Mutual Aid/Emergency 911 operations

MEMBERSHIP:

- The Electoral Area Director from Electoral Areas A, C, E, F, G and H
- The Chairperson or Vice Chairperson of each operating Society
- The Fire Chief or Deputy Fire Chief of each operating Society
- General Manager Finance & Information Services
- General Manager, Development Services
- Other Society Board members or Fire department personnel as required from time to time
- Other Regional District staff as required from time to time

CHAIRPERSON:

The Chair of the Committee shall be appointed annually by the Chair of the Regional District of Nanaimo from among the Electoral Area Directors.

MEETINGS:

- 1. The Committee shall meet approximately three times per year in the spring, mid-year and fall or as required.
- 2. There shall be no minimum attendance requirement to establish a forum for conducting a meeting.
- 3. Decisions of the Committee will be made by consensus whenever possible. If necessary, votes may be taken.
- 4. Regional District staff will contact each Committee member to solicit topics for discussion prior to agenda preparation.
- 5. Regional District staff will be assigned to support the Committee including the coordination of agendas, minutes and staff contacts for Committee members.
- 6. No remuneration for participation on the Committee is provided but if Committee activities coincide with meal times, meals will be provided.
