

Nanaimo Aboriginal Centre OPEN HOUSE

October 13th from 10 –3pm
1406 Bowen Road, Nanaimo

The Nanaimo Aboriginal House is being constructed to Passive House Standard. Nanaimo Passive House is currently the largest Multi-Family Passive House development on Vancouver Island and we are in line to be the first complete and certified Multi-Family Passive House in Western Canada.

Please join us on October 13th from 10 –3pm. We are going to give a few tours to highlight Passive House design and construction basics and a general overview of Passive House Canada and what we are looking to achieve with such a rigorous voluntary engineering design.

This is an opportunity to see the Nanaimo Aboriginal Center as it nears completion and to meet the architects: DYS Architecture, Mark Ashby Architecture, and Saywell Contracting who are the project managers.

I would like to formally invite you and any of your available staff to attend.

Please RSVP BY OCTOBER 11TH:

Sharon Horsburgh, shorsburgh@rdn.bc.ca Or call: Ph:250-390-6568
